Hey Sarvey,

I might have some time to chat later this afternoon 2-3:30pm. I'm meeting with Aaron today to discuss crediting before then (and the conversion of all mitigation types to re-establishment credits), which I think is the only outstanding issue we haven't worked through yet with the Sponsor.

Thanks,

Shannon Pankratz

Shannon, several documents were sent to the IRT last month. We have several comments on the maps and narrative, but have not had a chance to put those together. When are comments due? Thanks.

Hi all,

As discussed in our last meeting, we will be submitting the BEI Exhibits for IRT review as they are ready. Figures will be in reduced size pdfs (to keep files small) but we can provide at higher resolution if needed. Text will be in track changes, showing all changes from the September submittal.

Exhibit A is attached to this email.
